Did you know?

It's important to **enter the building** when picking up your child for the day—lifting them over the fence from the outdoor play area violates our child care licensing regulations.

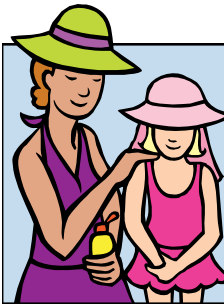

Thank you in advance for your cooperation.

Healthy Habits: Sunscreen Application

Please practice healthy skin habits this summer!

Apply sunscreen to your child **PRIOR** to school. Make it part of the morning routine by keeping the sunscreen in the bathroom next to your child's personal care items.

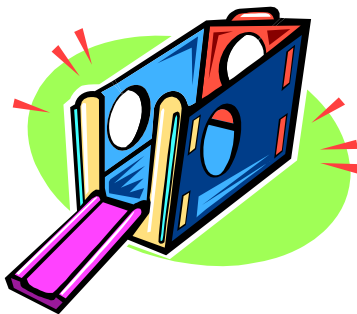

EOTR staff will not apply sunscreen to your child.

We'll buy your stuff!

With the new addition of a gross motor skill room (for use when weather prevents us from going outside) we need your stuff!

We'd like to purchase these gently used items:
foam mats, balls, b-ball hoops, riding toys, small trampolines, mini slides and/or other "climbing toys".

Please contact Nikki directly for more details!

Notes from Nikki

Teacher/Staff Appreciation Week begins May 3rd. This is a **voluntary** opportunity to express your gratitude to all EOTR staff.

If you are planning to recognize **ALL** staff, (ex. 3 dozen bagels for breakfast) please let us know so we can coordinate efforts with the EOTR Parent Advisory Board.

If you have items to donate - movie tickets, gift certificates, baked goods, services, money, etc. please contact me! Our plan is to ensure each staff member receives something as a thank you.

Special thanks to Campus Bar & Grill for donating a staff lunch on Wednesday!

Thanks for supporting our staff!
